

Mission Statement

Our Mission is to enhance the quality of life of people who are older, disabled or vulnerable, serving them as a reflection of God's love and caring.

The Bethany Group is a faith based organization located in Camrose, Alberta. We are currently seeking a **Full-time Registered Nurse / Registered Psychiatric Nurse** for our facilities.

Successful candidate will demonstrate courtesy and professionalism in relating with medical, clinical and nursing staff, health care team members, residents, families and the general public. Strong leadership and communication skills are essential.

As a RN/RPN you will function in a leadership role; provide professional competent nursing care to residents within program mandates, policies and practices of The Bethany Group. You will provide direct and indirect supervision, motivation, and empowerment to a team of LPN's and unregulated Health Care Aides. In accordance with The Bethany Group's mission, vision and values, you will be responsible for ensuring quality care and service.

Qualifications:

Graduation from an accredited Nursing Program, Baccalaureate degree preferred
Gerontological Nursing Certificate an asset
Certificate in Mental Health desirable
Current Basic Rescuer – Level A CPR
Active registration in good standing with CARNA / CRPNA
Related experience in LTC and/or Mental Health an asset
Certificate in Physical Assessment an asset
Experience with and knowledge of the specialized care requirements of geriatrics

Current rotation is day/nights and evenings, 7.75 hours per shift.
